

HSEQ POLICY

P H Hull & Sons Limited are committed to the establishment and maintenance of a Health and Safety, Environmental and Quality (HSEQ) Management System that will help it to delivery consistent customer satisfaction, while safeguarding the health and safety of its employees, contractors, customers, the wider community and protecting the environment.

The objectives of the HSEQ Management System are as follows: -

1. A management system that satisfies the requirements of ISO 9001 Quality Standard, ISO 14001 Environmental Standard and Safecontractor.
2. Continual improvement of the effectiveness of the HSEQ Management System by setting and reviewing objectives and targets on a regular basis and taking corrective action.
3. Compliance with relevant environmental, health and safety legislation and regulations.
4. Commitment to:
 - i. Prevention of injury and ill health
 - ii. Pollution prevention and environment conversation
 - iii. Comply with quality requirements
5. Empowerment of employees by ensuring the necessary resources and training are available to attain the standards required of an effective HSEQ Management System.
6. Achievement of a high level of understanding of the HSEQ Management System by all employees and contractors engaged by the Company.
