

## Registration complete

This confirmation email has been sent to all contacts responsible for this waste operation.

This is not a permit

### Your responsibilities

The business or organisation responsible for carrying out the exempt waste operations agrees to:

- comply with all limits on waste types and quantities
- comply with all conditions governing how waste must be stored, handled and treated
- carry out the operations without endangering human health or harming the environment

For the operations to remain exempt they must be carried out without:

- causing risk to water, air, soil, plants or animals
- causing a nuisance through noise and odours
- negatively affecting the countryside or places of special interest

In sensitive locations extra controls may be needed over and above those set out in the exemptions to make sure this happens.
